YOU AUTOIST— What Will You Do?

January 1st, 1920, a new law goes into effect requiring every garage owner to keep a record of the license and engine number, name and address of the owner and person delivering or taking a car for the purpose of repairs, selling, rental, livery or storage. The penalty for failure to keep this record is not less than \$100 nor more than \$500.

You can save yourself and garagemen time and trouble by showing the identification card which is furnished FREE with our guarantee title policy. This card contains all the necessary information for the garage man. It is evidence that you are the owner of the car and will be so recognized by every garage man.

A policy will reduce your theft insurance. It will also help trace your car if stolen.

The cost of our guarantee title policy, including the necessary identification cards, is only \$1.00.

Send us your name and address now. We will mail you an application and you will be prepared.
